Harvest for Hope is a special event that allows the community to support the ECDVC in a variety of ways while providing a night of entertainment and enjoyment for all who attend. The ECDVC maintains a 24-hour, seven-day-a-week crisis line to provide resources and refuge for victims. We also provide court advocacy, short term counseling, domestic violence education classes, and public outreach to help our community in bringing an end to violence. The Evans Harmony House is anticipated to open soon. The shelter will be a secured 6-bedroom facility to keep women and children safe from their batterers while giving them the time necessary to heal from the trauma of abuse. The ECDVC and the Evans Harmony House greatly appreciate contributions like yours to help those in our community who suffer from domestic violence, sexual assault and stalking. Because of people like you who understand the need to make a difference, families have a better chance of having healthy, violence free lives.

If you have any questions or concerns, please do not hesitate to call our office at 208-590-0379 or e-mail us at [director@ecdvc.org](mailto:director@ecdvc.org)

Sincerely,

*Kimberly Middleton*
